

Advancing Your Mission

Website Feature List

Over 10 years in the making, NPD's proprietary software has been especially designed to help non-profits advance their mission. Since that means different things to different organizations, all NPD websites include a wide variety of functionality.

Here is a partial list of all the functions available for your NPD website:

Accept donations	Event calendar	Password protected
Advertising Integration	Facebook integration	admin. console
Auto-responders	File sharing	Pop-up Pages
Audio Production	Forum/discussion boards	Product catalogs
Calendars	Graphic Design	Scheduling
Contact forms	Image Galleries Slide Shows	Searchable web pages
Content management system (CMS)	Internal page links	Secure online
Copywriting Assistance	Join email list	credit card payments
Custom Image Design	Links to external sites	Social Media Integration
Custom Page Links	Logo design	Software Upgrades
Customizable Home Page Templates	Members only password protect pages	SSL Secure Web pages
Database-Driven Content	Mobile friendly browsing	Surveys/Questionnaires
Dynamically loading Content	News and announcements	Ticket ordering
Ecommerce	Newsletters	Video Production
E-marketing campaigns	Online applications	Visitor Registration
Email Hosting	Order tracking	You Tube Integration
Event calendar	Page Hit recording and analysis	Web-based content management
		Website hosting
		WYSIWYG content

All these functions are available at no extra cost. You pay one annual fee for all services.

In addition, we are always available to modify or customize functions for your specific needs.
